FOURTH QUARTER 1994  
VOLUME 14                      NUMBER 4

THE OFFICIAL PUBLICATION OF THE SOUVENIR CARD COLLECTORS SOCIETY

Both sides of the Admission Ticket for the United States International (Centennial) Exhibition held in Philadelphia, 10 May-10 November 1876, engraved and printed by the Philadelphia Bank Note Company. Shown actual size, the figure side (top) is black on light green, while the "front" is black on off-white, with the control numbers in red.

**COVER:** I attempt to use this Philadelphia illustration to bring you all my best wishes for a happy and healthy (physically, financially, and "card-wise") holiday season. CHEERS!

◇

My sincerest apologies for the "screw-up" in the mailing address on the dues envelope included in the last issue. I initiated the idea last year and since it did help coax members to respond in a timely fashion, we did it again this year. Unfortunately—and I still can't explain it—**John Parker's** P.O. Box number got inserted instead of **Dana Marr's**. Dana's correct address: P.O. Box 4155, Tulsa, Ok 74159-0155. The USPS pays more attention to the numbers than they do to the names and apparently Tulsa has more box users than I realized. Sorry!

◇

Elsewhere in this issue several topics are raised on which I would like to comment.

**Art Benjamin** wants to know if you are planning to go to PACIFICA 97 (yes, two plus years from now!). I am going (God willing) and I'd like to see as many of YOU there as possible. After several years of hiatus from collecting I got back into it as a result of INTERPHIL (1976) right here in Philadelphia. I enjoyed AMERIPEX (1986) and am looking forward to the next once in ten-years special. The Worlds Columbian Exposition in 1992 was also special, but it was not part of this cycle which hosts not only national but international exhibitions and dealers. I have been dismayed at how few of the membership appear at major shows across the board (especially in the northeast). Maybe they do come but are afraid (?) to identify themselves! Let's hear from you NOW so we can PLAN for a BIG EVENT!

**Bob Hallet**, in his article (p. 20) raises the question about SCCS numbers for "modified" cards and suggests re-numbering to accommodate them. **Donald Hitchcox** raised this question to me in a letter earlier this year. My answer is still the same: If the card is a variation of a previous card and IF "we" choose to include it in the SCCS numbering system, what is the basis? Is a card produced by a "security printer" modified by (?) and released after the original release, a new card (with a new number), a modified card with a modified number (small letter following), or an "unrecognized" card? We seem to have become the recipients of a plethora of cards in the recent past including an incredible quantity this year which—with ever increasing prices—seem to,

in my opinion, foretell of the end of the "small" collector who can't afford to keep up. How many people do you know that once collected U.S. stamps (or any other country) but have "given up" because of the quantity and/or price (need I add quality?) of the new issues?

In that regard, I wonder how many members followed **Art Benjamin's** logic (p. 3 this issue) and succumbed to the latest ABNCo offering? I didn't. I love intaglios and swam into the bank note series that ABNCo offered last year. I think I was more interested in the "story" behind the notes. But what do we now have? Souvenir cards that are not "souvenirs" of anything? Self-proclaimed "limited editions" that at the maximum are to be printed in "no more than 700 copies." This at a time when the BEP produces 2,000 cards and can't fill the orders for them! How many "hard core" collectors are out there? I'm not a dealer or in the card production business, but I do know from talking with the printer of this Journal that the more copies I print, the cost per copy goes down (although, obviously, the total cost goes up).

Therefore, it seems to me, that if I wished to sell a product I would make the best I could and sell as many as I could for the least price. (I am not talking over doing it, but enough to supply the demand, which I believe is there is if the price and quality are there!) I think I would end up with more satisfied customers and a continuing business! Maybe not! ABNCo has decided to reduce its output and sell them for more than before! Many collectors that I have talked to believe they (ABNCo) had already priced themselves beyond their (the collectors) means! I have had several letters from members indicating that they would not participate in the "limited offering." Wither we goest?

Now comes a price increase from the BEP and an apparent "new" kind of card (which at Art's report worries me). Is the increase to cover increased costs of the "normal" card or the "new" and, by the way, who asked for it? The FMA/BIA produced a folded triptych at NAPEX (see SCJ 14:2, pp. 2-3). Heavy \$ to start. Anyone out there want to tell me how to display that in an album? Art Benjamin asks (p. 3 this issue) the same question about the new BEP series. I am waiting for an answer. How about you? Let me hear what you think!

## PRESIDENT'S MESSAGE

I would like to wish a happy New Year to our membership. I hope the holidays were enjoyable and fulfilling. We are about to start a new year of card collecting which has some interesting variables.

The Bureau of Engraving and Printing (BEP) has changed the format of this year's [1995] card switching to a folded card. I am not sure what my reaction to this will be. I collect all my cards both mint and show-canceled. The I store them in archival safe plastic pages in a standard three-ring binder. I hope that these new cards can be presented in a manner consistent with the rest of my collection and allow me to enjoy simultaneously the cancel and the design.

The American Bank Note Company (ABNCo) has switched to a limited edition, annual subscription, at exorbitant prices, that required an advanced order [order had to be made before 15 November]. I purchased an ABNCo subscription because I have the first 130 cards they printed in my collection. My concern is that the availability to new collectors will be limited and expensive. This may discourage people from collecting the prior material and therefore reduce the value of the older material in the after market. ABNCo may issue some additional cards during the year but they have not announced anything specific yet.

The third significant item was the sellout of the BEP Centennial card and the return of 500 orders (including mine). During the ASDA show in New York in November, many collectors were looking to obtain a piece for their collections. The BEP has announced that they will reprint the card in an edition of 6,000 in a different color during the second quarter of 1995. That means that serious card collectors now must buy the new variety created by the reissue. I was lucky enough to get a card from one of my fiends. Those of you that have extra pieces have a valuable item that should bring a substantial premium in a sale or trade.

◇

If you have not sent in your 1995 dues please make out that check now. The cost remains \$20. and that includes the annual intaglio card as well as the four issues of the Journal. The response to our addressed envelope inserted in the previous issue was decent but most of the membership has not responded yet. I have learned there was a printing error on the envelopes we supplied and some members have had their checks returned. We apologize

Arthur Benjamin (SCCS 1032)

for the inconvenience. If you do use the envelope, please correct the Post office box number for Dana Marr. [Dana's address should read "P.O. Box 4155, Tulsa, OK 74159-0155."] It is costly, labor intensive, and time-consuming process to send dues reminders, so please give this your attention.

◇

In my last column I mentioned that we would hold our annual meeting at the PACIFICA 97 stamp show in San Francisco (27 May - 8 June 1997). This should prove to be a great show with a plethora of material for card collectors. However, our participation in that show has a price. A Society's table cost is \$300. We can afford the cost of the table, but I am concerned that we may not have enough participants to make this investment worthwhile. I enjoy participating at the major shows and meeting our members. The Society table provides an outpost where you can relax, leave your valuables and engage in some meaningful conversation. The Society table makes it possible for you to travel to the show and interact with other members without formal arrangements and it will increase your enjoyment of the event. The PACIFICA 97 show is the major International Exhibition which is held in the United States once every 10 years. This show will be 11 days long encompassing two weekends.

We need people to staff the table and make our presence worthwhile. We need a member to volunteer to be show chairman. I have received several complaints from West Coast members about the lack of activities easily accessible to them. Well, here is an opportunity for you Westerners to extend yourselves and make your presence felt! What we need to know is how many of our members expect to attend and use our facilities if they were provided. I realize that I am talking about 2.5 years from now, but you should know if this is something that you might be interested in. If we do not get a substantial response, then I suggest we just have a weekend meeting there. We would move the annual meeting to another venue where more of our members will attend. Another alternative is to share the table with another organization. The Board is open to suggestions.

◇

One additional reminder. Elections for officers will take place in conjunction with the NAPEX show in June. Therefore, if you are interested in becoming a Board member/officer, now is the time to cast your hat in the ring! We particularly need a new Treasurer! I look forward to your comments.

## UPDATE OF BEP INTAGLIO CARDS: 1989-1993

John A. Parker (SCCS 1546)

In the Second Quarter issue of this Journal [see SCJ 14:2, pp. 7-8] I presented a listing of the actual sales of BEP souvenir cards. I hope that the current collectors of cards took notice of the quantities sold. The following listing is of the intaglio prints issued at various shows.

The 1989 prints reproduced three different vignettes from the 1876 Centennial share certificate, the 1990 prints were three different colors of a cutter ship and an eagle, and 1991 saw the release of two different colors of vignettes of "Freedom" and the Capitol dome. Columbus and the Coat of Arms of Spain appeared in three different colors in 1992 and three different cards with vignettes of our National Parks were released in 1993.

## SOUVENIR CARD ERRATA

The 200th Anniversary of Rhode Island card (SO 72) is supposed to have two blue ruled lines enclosing a red line (total width of the three lines is one-quarter inch) around and inside the outer perimeter of the

Donald W. Hitchcox (SCCS 2)

card. Shown here [below] is one of these cards that escaped this operation and, to date, only one other like it has been reported.

THE AMERICAN BANK NOTE COMPANY  
proudly commemorates  
The 200th Anniversary of Rhode Island  
1790-1990

Rhode Island is the smallest state in the Union. However, in spite of its size, Rhode Island hung tough being the last of the 13 original colonies to ratify the U.S. Constitution on May 29, 1790. Rhode Island delayed ratification until the amendments called the Bill of Rights were ready to be added to the Constitution. These amendments placed limits on the powers of the federal government and guaranteed individual liberties. The Rhode Island convention ratified the Constitution by a slim vote of 34 to 32.

The Bicentennial Expo card (PS 20) was printed by a combination of intaglio and offset operations.

The normal card is shown below. Due to imprecise placement of the card on the feeder board, a 2.5 mm upward shift during the offset operation occurred

on the card shown [opposite page]. Note especially the shift of the red and blue colors on the shoulder patch of the space suit and, also, the shift of the blue depicting the earth on the horizon. The black on the vignette is intaglio.

### A J.S.G. BOGGS SOUVENIR CARD CREATION

John Parker (SCCS 1546)

This past January, at the FUN show in Orlando, FL, artist James Stephen George Boggs dreamed up the idea of having some "fun" with the BEP souvenir cards issued for the show (B 179).

A "Boggs' Transaction" took place on the floor of the show. A Boggs' \$20 bill was used for the purchase of four BEP "Unfinished Masterpieces" souvenir cards for \$16.00 and the \$4.00 in change and the receipt was kept by the owner of the \$20 Boggs' bill, thus he had a complete "Boggs' Transaction" to covet.

Boggs planned to add his own art to the cards which he pre-sold to four people on the bourse floor. Before the show ended, Boggs reworked the cards with lettering and numbers, added his signature and his thumb print authentication.

I spoke to Boggs at the ANA Convention in Detroit in July. He had just recently completed the four

cards since the FUN show and had them displayed at his booth. He asked me the provoking question about what I knew to be the highest priced souvenir card. I told him that dealer Ken Barr had a card priced at \$2,500. Some older cards have been sold up to and more than \$2,500. In Memphis, Boggs pre-sold ten cards for \$500 each and pre-sold ten cards at ANA, Detroit, for \$750 each. It is too early to know what the after market prices will bring.

Right now, with the current media publicity [generally centering on his bouts with Treasury agents over whether he is counterfeiting or simply producing works of art] and the popularity of his work, his souvenir cards should exceed previously reported sales records.

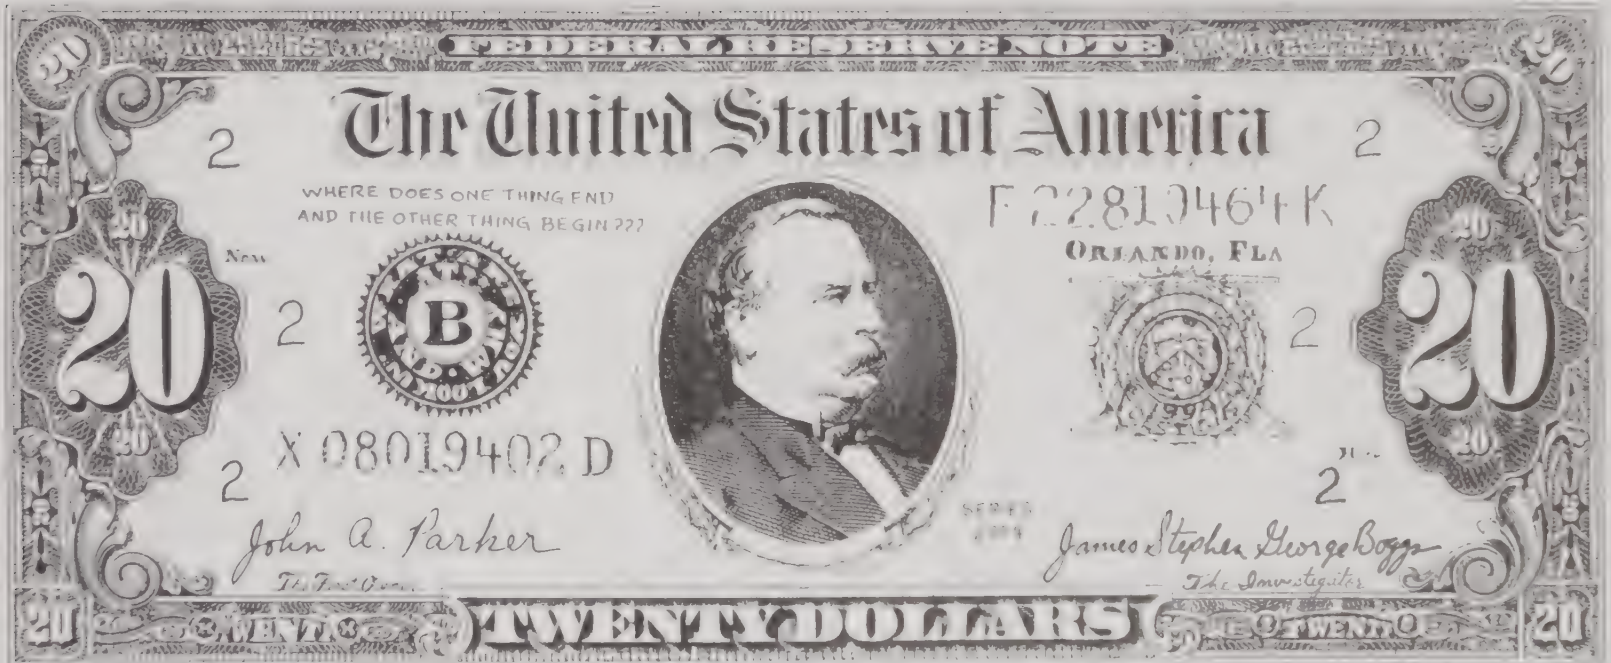

A complete book on all of Boggs' work is reportedly under agreement.

[Boggs' FUN creations follow, next three pages.]

## BOGGS AT ANA 94 IN DETROIT

While the BEP pulled proofs each day at ANA, J.S.G. Boggs had his own drawing after the BEP raffle. Boggs created 25 cards from the BEP cards using a plate made by Craig Whitford of the \$10.00 Federal Reserve Note Series 1915 to print the face of the note on the back of BEP card. Then Boggs added his artwork and raffled five each day at \$100.00 each. Winners were offered \$125.00.

## SOME INTAGLIO SOUVENIR CARDS

I illustrate here three souvenir cards I have acquired during the year.

The first of these was a mystery. However, after contacting the Archives of the Bureau of Engraving and Printing, most of the mystery was cleared up. The vignette illustrated (Figure 1) depicts an Eagle in the center, over a group of marine equipment, with a fort and a vessel in the background. This vignette has been catalogued as "ESSAYONS,"

Robert J. Hallett (SCCS 1619)

Miscellaneous Die No. 6073 and was put on a transfer roll on 15 October 1903. The only recorded use of this die was for the diploma for the School of Submarine Defense in Fort Totten, NY from 22 June 1942 to 25 August 1944. The print I have illustrated is on 14" x 8" white card stock featuring the 10.75" x 5" vignette on a cream background. I do not believe that this card was cut from the diploma and your guess is as good as mine as to how this item escaped from the Bureau of Engraving and Printing.

Figure 1: "ESSAYONS"

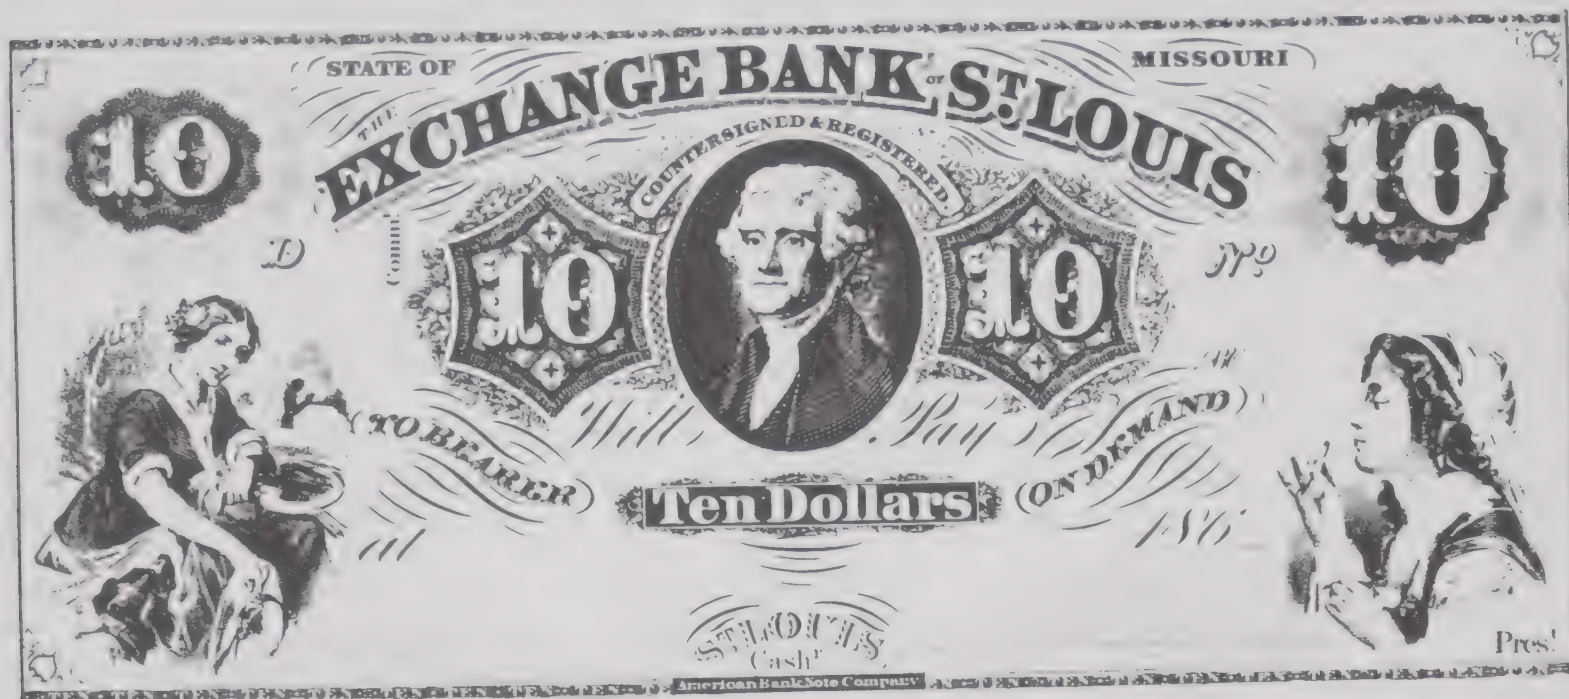

The second card is an ANA Museum card released during the Maryland State Numismatic Association (MSNA)/ American Numismatic Association (ANA)/ Atlantic Rarities Exposition held 24-26 June 1994 in Baltimore, MD. This card is the 1979 ANA Convention (ABNCo) souvenir card (SO 10) cut down to 7.625" x 3.625". In the past these cards have been listed. Thus, I suggest that this card be listed as "SO 131" with the current "SO" cards re-

numbered. [See my commentary inside front cover of this issue. Ed.]

The third card was released in 1942 on the occasion of the first National War Savings (Bond) Program. Measuring 12" x 9" this certificate features the engraved "minuteman" which also premiered in

1942 on the War Savings Stamps, which were the central theme of this year's Savings Bond Souvenir Card issued 1 August 1994 (B 189) [Card illustrated on the next page. Ed.].

# 1994 SAVINGS BONDS CAMPAIGN

## SECURE YOUR FUTURE TODAY

Bureau of Engraving and Printing  
Washington, D.C. – Fort Worth, Texas

These five U.S. "Defense" Savings Stamps, Series 1942, were designed for Americans to show their support during World War II. They were sold in post offices and in schools across the nation and were exchanged for Savings Bonds. The design for this issue was based on the work of "The Minute Man" by sculptor Daniel Chester French. The Bureau printed more than 8 billion of these stamps during the war years.

## MAIL BID AUCTION: FOURTH QUARTER 1994

Ken Barr (SCCS 407)

The Second Quarter 1994 auction was quite successful, with over \$4,700 in sales and almost \$800 in donations/commissions. Several hundred souvenir cards found new homes, many at bargain prices. The Third Quarter 1994 auction is still in process as this listing is being prepared, so that recap/report will be deferred until the next issue.

This current auction is again a large one, with 425 lots being offered. The backlog of consignments is finally starting to decrease, so there may be an opportunity for more material to be submitted soon.

Lot #1 is the first serial #1 ABNCo. hand-pulled proof from 1994 and should attract its normal high bids. Don't be discouraged, though, as it might sneak by at a reduced price if a few people slip up.

As usual, there are many lots in which the consignors specified no reserve other than our usual \$5 per lot minimum, so feel free to do some bargain hunting! Good luck!

### AUCTION BIDDING RULES

1. MAIL BID CLOSING DATE: BIDS MUST BE RECEIVED BY THE AUCTION MANAGER NO LATER THAN 15 FEBRUARY 1995.

2. Send all bids and auction correspondence to the Auction Manager: Ken Barr, P. O. Box 32541, San Jose, CA 95152. Telephone inquiries may be made until 10:00 PM Pacific time at 408-272-3247.

3. Bid by lot number only. Multiple item lots will not be broken. The earliest postmark will decide tie bids. Duplicate lots may be available; feel free to indicate if you want more than one copy of any lot(s).

4. Bid processing will be done manually, at least initially, so special instructions can be given. "OR" bids ("bid \$10 on lot 101 OR 102, one lot only") are acceptable, as well as "maximum expenditure" limits ("please limit total winning bids to \$100 maximum"). Feel free to bid on any lots desired with the security that your winnings will be limited to the amount specified.

5. All items will be sold to the highest bidder. Bid reductions will generally not be made unless noted on special high-value lots.

6. Please observe a minimum bid of \$5 per lot. Some lots have higher minimums, denoted as MB \$xx in the lot description. Estimates (EV \$xx) are for information only, and have either been provided by the consignor, the current SCCS catalog, or the Auction Manager.

7. Lots will be shipped via insured U. S. Mail unless otherwise requested. Postage and insurance charges will be included in the bidder's invoice.

8. Successful bidders are to remit payment in full in U. S. funds within five days of receipt of their invoice. Late payments may disqualify the bidder from participation in future auctions.

9. Returns are acceptable within ten days of receipt of shipment. Please specify reason for return (damage, mis-attribution, etc.). Mistakes on bidder's part are not sufficient reason for return.

10. The Auction Manager reserves the right to withdraw any lot and to reject any unrealistic bids. Consignors are responsible for establishing any minimum bids that they wish to impose on lots submitted.

11. A "Prices Realized" list will be available shortly after the closing of the auction. All bidders and consignors will receive copies with their invoice or materials shipped. Others may request same by submitting a self-addressed stamped envelope to the Auction Manager.

12. Members wishing consignment information should write to the Auction Manager for details.

# INVENTORY OVERSTOCK SALE

From time to time, despite best efforts, I end up with many more of certain cards in inventory than I really want. Rather than just have them sit in filing cabinets (and have to be counted every now and then), I'd like to move some out, and have worked up this "excess inventory" price list at prices much discounted from normal. This is only being advertised in the Journal, and orders must be received by January 31, 1995 (as I'll probably be doing another inventory in February ...).

## CHAPTER NEWS

### CHAPTER ONE

Washington Chapter One started this season at the Suburban Washington/Baltimore Coin Show (SWBCS) in March, continuing with NAPEX in June, and the Baltimore Philatelic Exhibition (BALPEX) in September finished our scheduled program of shows.

Larry Felix, manager of marketing at the BEP, was our guest speaker at SWBCS. He was informative as to the plans for the BEP's "100th Anniversary of the First Postage Stamps Issued by the BEP," which included the special souvenir card released on 1 July (see SCJ 14:3, p. 5).

At the NAPEX meeting, collectors discussed their recent "new finds." Festivities for the 10th Anniversary of the Washington Chapter One were discussed and Bob Wasszilycsak was appointed Chairman for the 10th Anniversary banquet.

At BALPEX, it was decided that the Banquet would be held on Saturday, 3 June 1995 in conjunction with the NAPEX exhibition. NAPEX will also be the site of the national SCCS Annual Meeting. The planning for these activities should keep us busy between now and next June. As more details of these events become finalized, we will keep all members posted. We conducted a mini "swap meet" at the conclusion of the BALPEX meeting.

### METRO CHAPTER FOUR

The METRO SCCS Swap Meet took place on Saturday, 8 October, from 10a.m. to 4p.m. at the meeting hall of the Church of the Assumption in Roselle Park, NJ. Rich Brinton organized the meet and obtained the participation of the Roselle Park Post Office and the Newark and Elizabeth USPS Divisions.

A pictorial cancel designed by Rich was utilized by the on site postal people and George Callahan and Al Wakoff of the USPS organized a ceremonial program and printed a local USPS (non-intaglio) souvenir card which sold for \$3.00. Part of the design of this card [illustrated on the next page] was a color reproduction of some of the bank notes used in the ABNCo's advertising for their bank note series issued last year. Paul Schmid (ABNCo) had one of the tables at the meet.

The ceremony included the Mayor and two council members from Roselle Park and the Postmasters of Roselle Park and Elizabeth which has the jurisdiction over Roselle Park.

Mike Bean prepared 200 show cards for the meet, and 100 numbered raffle tickets. Both of these engraved cards sold for \$5.00 each. John Denune prepared a set of three engraved cards and Mike Padwee produced a non-intaglio card. The raffle tickets sold out (the No. 1 ticket will appear in the next SCCS auction), and 26 donated items (worth \$20 or more each) were raffled. Paul Schmid generously donated ABNCo 1992 and 1993 "ASDA Man of the Year" Banquet booklets with engravings, and a framed bank note from the series. A black print, 1987 ABNCo "200th Anniversary Constitution souvenir card (SO 55) was also raffled. During the raffle, Paul explained that this print was not an error but was from a small first printing which was rejected for the eventual blue issued card (SO 54). The disposition of the remaining show cards will be determined at the November ASDA Chapter meeting in New York.

Rich Brinton and all those who helped make this an enjoyable and memorable event are to be congratulated!

## THE GRAVE OF JOHN HOWARD PAYNE REVISITED

Robert Hallett (SCCS 1619)

In the First Quarter 1994 SCCS Journal, William Kriebel presented an excellent biographical sketch of John Howard Payne (see SCJ 14:1, p. 41). Not to be outdone, I decided to pursue further research on both John Howard Payne and the (reburial invitation) souvenir card (see SCJ 14:1, p. 37).

I found a biography of John Howard Payne written by a friend, fellow writer and, later, a pall-bearer at his reinterment. This book is titled "Home Sweet Home" and is by Gabriel Harrison, published in 1884 by J.R. Lippincott & Co., Philadelphia.

It is written that the late multi-millionaire, William W. Corcoran, founder of the Corcoran Art Gallery in Washington, DC, was disturbed one bright sunny Sunday afternoon while on a coach ride through Washington. It had come to his attention that the writer of "Home Sweet Home," his favorite ballad, was not buried in his native land. Hence, Mr. Corcoran took it upon himself to have the remains of John Howard Payne transported from Tunis to the United States. Receiving no financial support from the U.S. Government, Mr. Corcoran sponsored this entire expedition: removing the remains of Mr. Payne in Tunis, having his body transported to New York City by ocean liner and finally transported by train to Washington, DC for the re-burial.

Mr. Corcoran financed all the arrangements for the re-burial ceremony in Washington, including the elaborate memorial in Oak Hill Cemetery in Georgetown. I believe that Mr. Corcoran also funded the engraved invitation. I discovered that Mrs. J.C. Whelling (wife of Dr. J.C. Whelling, President of Columbia University and Chairman of the Committee of Arrangements) has been credited as the designer of this invitation. I consulted Cecilia

Wertheimer (Curator at the BEP) concerning this invitation. She could find no engraved portrait of John Howard Payne in the BEP records. By coincidence, Curt Radford called me and inquired if I had looked at the name of the person invited to this event on the card that I published in the Journal. The person invited was George Washington (G.W.) Casilear. Mr. Casilear was the lead engraver at the BEP during the 1890's! It appears that Mr. Corcoran may have privately commissioned Mr. Casilear to engrave this card. I am still making inquiries as to who or what printing company produced the invitation.

[According to Gene Hessler's *The Engraver's Line* (1993, BNR Press), George Washington Casilear was born in New York City in 1825 and died in Charlottesville, VA, in 1912. He joined the National Currency Bureau (BEP) in 1862, was appointed Superintendent of Engraving on 16 December 1889, and retired on 30 October 1893. Ed.]

### FUN SHOW Florida Bound BEP Spider Press Offer

I will be making my annual visit to the Orlando, FL, FUN SHOW in January 1995. If you are interested in the BEP's "Spider Press" hand-pulled proofs, I will be accepting orders for MINT proofs at \$50 each (over my actual cost). If you wish to be placed on the order list for these cards, forward your payment in the amount of \$150 per proof ordered (you will be refunded the difference in cost if purchased at a lower price), made payable to "Rich Brinton" and mail to the address below. All checks must be received no later than 21 December 1995. Be sure to indicate the number of proofs you want and enclose \$150.00 per proof ordered. Remember, depending upon the "buying frenzy" at the FUN show, proofs may be purchased at different prices. The earlier your check is received, the lower the price of your proof! (If "buy" prices exceed your check amount, NO proof will be purchased for you unless you specifically request me to do so.) You will be advised of the status of your order when I return.
